Pinar Aydın

Engineering Manager at Gezgin I Building teams that ship
Istanbul, Türkiye

Summary

Engineering manager with fifteen years in software, the last six leading teams. I hire, grow and keep engineers, and I make sure product and engineering plan together.

Experience

Gezgin

9 years 8 months

Engineering Manager

September 2020 - Present (6 years 2 months)
Istanbul

Manage three teams (19 engineers) for the booking platform; hired 14 engineers and two team leads.

Introduced quarterly planning with product, an incident review process and architecture decision records.

Weekly 1:1s, career ladders and performance reviews; coached two engineers into tech lead roles.

Tech Lead

March 2017 - August 2020 (3 years 6 months)
Istanbul

Led the split of the booking monolith into Kotlin and Java microservices on AWS; on-call and incident command for payment outages. System design reviews and code reviews for the backend chapter.

Hepsiyol

Software Engineer

July 2011 - February 2017 (5 years 8 months)
Istanbul

Java services for search and checkout; later Go services for pricing. Scrum team member, then Scrum master for a year.

Education

Sabancı University

Bachelor of Science - BS, Computer Science and Engineering · (2007 - 2011)
