

Zeynep Şahin

Data Analyst (former maths teacher) · Antalya · zeynep.sahin@example.com

Summary

After eight years teaching maths in high school I moved into data analysis through a bootcamp. I like explaining numbers to people who don't love them.

Experience

Data Analyst — Turquoise Hotels · Jun 2025 - Present

- Weekly occupancy and revenue dashboards in Power BI; SQL queries on the booking database.
- Cleaned and merged spreadsheets from 12 hotels in Excel and pandas.

Data Analytics Bootcamp (full time) — Data Bootcamp Istanbul · Oct 2024 - Mar 2025

- Python, pandas, SQL, statistics, exploratory data analysis and data visualisation (Matplotlib, Seaborn).

Mathematics Teacher — Antalya Science High School · Sep 2016 - Jun 2024

- Taught statistics and calculus to classes of 30; presented at regional teacher conferences.

Education

Akdeniz University, B.Sc. Mathematics Education (2012 - 2016)
